

Look to Marcum Search For Your Staffing Needs.

From entry level to C-level roles, Marcum Search's Permanent Staffing division streamlines the recruiting process and identifies the strongest candidates to match any job description. Every engagement begins with a meeting to understand your specific requirements and company culture.

Supporting businesses of all sizes, the Temporary Staffing division provides supplemental coverage when you need it...during busy season, special projects, an employee leave of absence or a new system implementation.

Our dedicated staff will conduct a candidate search using rigorous screening procedures to effectively unite high-caliber individuals with your organization to ensure an ideal match.

Marcum Search offers highly qualified employees opportunities across a broad range of disciplines including:

- Accounting / Finance
- Information Technology
- Administrative / Office Support
- Customer Service
- Human Resources
- Logistics / Procurement
- Marketing / Creative Services.
