

# HOW THE RAINMAKER COMPANIES CAN HELP YOU GROW

## THE LEADERSHIP ACADEMY

The Leadership Academy consists of live training, individual assessments, one-on-one coaching and firm project implementation designed to prepare emerging leaders for their future. Participants learn how to better communicate, handle conflict, manage projects, implement change successfully and position themselves for personal and professional growth. Classes begin in January.

## THE RAINMAKER ACADEMY

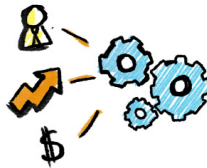

This business development training will take your current and future leaders from "number crunchers" to "number communicators" by implementing an accountable and process-driven approach to growing revenue.

## HIGHLIGHTED TRAININGS

Spend time on developing the skills that will grow your key service lines:

- Five Star Client Service
- Pricing on Purpose
- The Art of Facilitation

## NICHE SPECIFIC

The Rainmaker Alliances communities provides you with a community of like-minded professionals seeking growth in the endeavor of becoming a highly trusted advisor to their specific industry clients:

- Auto Dealer CPAs*
- Banking CPAs*
- National CPA Health Care*
- Advisors Association*
- Manufacturing CPAs*
- Nonprofit CPAs*
- Real Estate & Construction CPAs*

## CUSTOMIZED TRAINING SOLUTIONS

We realize that no two firms are the same. Customize the right solution that will set your firm up a growth path. Solutions can include in-house training and consulting, and business development/pursuit coaching and virtual module training.

## STRATEGIC GROWTH PLANNING & CONSULTING

Is your strategy by default or by design? Rainmaker will work with you at the firm-wide and/or niche levels to develop a deliberate, growth-focused strategic plan, then continue to partner with you to help drive implementation, accountability and results.
